CAREER SUMMARY

A young professional with a strong background in web development and graphic design, she was recognized through a demanding internship at the Tech Mahindra Foundation and Kushal:Aide. I am currently working as a creative technologist at Kushal:Aide, leading the creation of effective and visually appealing digital solutions using modern programming languages and design tools. Highly creative and driven, passionate about contributing to dynamic projects, and committed to lifelong learning. I am eager to join a progressive company dedicated to digital innovation.

SKILLS AND STRENGTHS

- **Web Development:** Skilled in HTML, CSS and responsive web design.
- **Technical Proficiency:** Ability to learn and adapt to new tools and technologies quickly.
- **Project Management:** Capable of managing design projects from concept to completion.
- **Passion:** Continuous drive for self-improvement and staying updated with industry trends
- **Graphic Design:** Strong understanding of color theory, typography, and layout design.
- **Creative Technology:** Ability to integrate multimedia elements into web and graphic design projects.

PROFESSIONAL ACCOMPLISHMENTS

- **Zoo Management Project:** Created a comprehensive web-based zoo management system using HTML, CSS and a back-end database.
- **Developed Hiring Flyers:** Designed and produced numerous hiring flyers, resulting in a 20% increase in applicant engagement.
- [**Portfolio**](#)**:** A selection of my key projects demonstrating my skills in graphic design, web development, and creative technology.
- **E-Library Project:** Developed an e-library platform that is simple yet attractive in design with responsiveness as well.
